8. The Policy **excess** or the **Adventure Sports and Activities excess**, as and when applicable, will be deducted in respect of each **insured person**, and each and every separately identified occurrence of loss whether notified to us as one claim or otherwise.

10. **We** may:
 - a) deny **your** application for insurance coverage; and/or
 - b) cancel **your** Policy by giving seven days notice by recorded delivery to **you** at **your** last known address. In such an event the premium shall be adjusted appropriately for the unexpired part of the **period of insurance**.
11. **You** must not admit, deny, settle, reject, negotiate or make any arrangement for any claim without **our** permission.
12. **We** have the right, if **we** choose, in **your** name but at **our** expense to:
 - a) take over the defence or settlement of any claim;
 - b) take legal action in **your** name to get compensation from anyone else for **our** own benefit or to get back from anyone else any payments that have already been made;
 - c) take any action to get back any lost property or property believed to be lost.
13. **We** may at any time pay to **you our** full liability under the Policy after which no further payments will be made in any respect.
14. **You** or **your** legal representatives must supply at **your** own expense all information, evidence, details of household insurance, medical certificates, assistance, original invoices, receipts, reports, etc.. **We** may refuse to reimburse **you** for any expenses for which **you** cannot provide receipts or bills. Please keep copies of all documents sent to **us**.

15. **You** must report all incidents to the local Police in the country where it occurs and obtain a crime or lost property report, which includes an incident number.
16. **You** must take all reasonable steps to get back any article which has been lost or stolen, and to identify the person **you** believe to be responsible for the loss and assist in any legal action.
17. If **we** provide transportation or settle **your** claim and as a result **you** have unused travel ticket(s) **you** must surrender those tickets to **us**. If **you** do not **we** will deduct the amount of those tickets from any amount paid to **you**.

If **you** or anyone acting for **you** in any respect; makes a claim under the policy knowing the claim to be false or fraudulently exaggerated, makes a statement in support of a claim knowing the statement to be false, submits a document in support of a claim knowing the document to be forged or false or makes a claim in respect of any loss or damage caused by **your** wilful act or with **your** connivance;
then **we**;
will not pay the claim or any other claim which has been or will be made under the policy, may at **our** option declare the policy void, shall be entitled to recover from **you** the amount of any claim already paid under the policy, may inform the police of the circumstances and shall not make any return of premium.
19. If **we** pay any expense for which **you** are not covered, **you** must pay this back within one month of **our** asking.
20. **You** must give **us**, at **your** expense, all the information, documents and medical certificates **we** ask for including details of other insurance policies that may cover the loss. If something **you** make a claim for is covered by another insurance policy or service contract (for example by a Household Contents All Risks Policy), **we** will only pay **our** proportional share of any claim. The exception to this is for any claim under Section 11 – Personal Liability where **we** will make no payment if **you** hold another insurance policy providing this cover.

21. Although **we** are prepared to cover **you** when undertaking certain sports and activities, the availability of insurance cover does not mean that American Express Insurance Services or the insurers consider these sports and activities as safe. At all times **you** must satisfy **yourself** that **you** are capable of safely undertaking the planned sport or activity and **you** must take all due care to avoid injury, accident or loss to **yourself** and to others.

You must accept and follow the supervision and tuition of experts qualified in the pursuit or activity in question and **you** must use all appropriate precautions, equipment and eye protection. Disregarding such advice and precautions may invalidate any claim **you** make.
