6. In the event of a claim and if we require it, you must agree to be examined by a medical

practitioner of our choice, at our expense. In the event of your death we may need to carry out a post-mortem examination for which we would seek agreement from your legal executor.

7. Your Policy will be automatically renewed each year, subject to your age and the Policy terms and conditions and limitations unless you notify us otherwise 30 days prior to your renewal date. You will receive a written reminder before the end of the period of insurance.

N.B. Please refer to your Certificate of Insurance for age restrictions applying to the renewal of your Policy.

If you book a trip during the current period of insurance and have paid or agreed to pay for it, where the departure date is after the renewal date of your Policy, Cancellation cover will continue in force on condition that

- a) you renew the Policy, if eligible, when renewal falls due, and
- b) your premium has been paid in full.

In the event that the renewal of your Policy is no longer offered by us, American Express Insurance Services Europe Limited, the intermediary, may provide you with the details of any renewal terms offered by its new travel insurance provider.

8. You must take all reasonable care and precautions to protect yourself against accident, illness, disease or injury and to safeguard your property against loss, theft or damage. You must act as if you are not insured and take steps to minimise your loss as much as possible and take reasonable steps to prevent a further incident.
9. The Policy excess, as and when applicable, will be deducted in respect of each insured person, and each and every separately identified occurrence of loss whether notified to us as one claim or otherwise.
10. We will make every effort to apply the full range of services in all circumstances as shown in your Policy booklet. Remote geographical locations or unforeseeable adverse local conditions may prevent the normal standard of service being provided.

11. We may:
 - a) deny your application for insurance coverage; and/or
 - b) deny renewal of your Policy; and/or
 - c) cancel your Policy by giving seven days notice by recorded delivery to you at your last known address. In such an event the premium shall be adjusted appropriately for the unexpired part of the period of insurance.
12. You must not admit, deny, settle, reject, negotiate or make any arrangement for any claim without our permission.
13. We have the right, if we choose, in your name but at our expense to:
 - a) take over the defence or settlement of any claim;
 - b) take legal action in your name to get compensation from anyone else for our own benefit or to get back from anyone else any payments that have already been made;
 - c) take any action to get back any lost property or property believed to be lost.
14. We may at any time pay to you our full liability under the Policy after which no further payments will be made in any respect.
15. You or your legal representatives must supply at your own expense all information, evidence, details of household insurance, medical certificates, assistance, original invoices, receipts, reports, etc.. We may refuse to reimburse you for any expenses for which you cannot provide receipts or bills. Please keep copies of all documents sent to us.
16. You must report all incidents to the local Police in the country where it occurs and obtain a crime or lost property report, which includes an incident number.
17. You must take all reasonable steps to get back any article which has been lost or stolen, and to identify the person you believe to be responsible for the loss and assist in any legal action.

18. If we provide transportation or settle your claim and as a result you have unused travel ticket(s) you must surrender those tickets to us. If you do not we will deduct the amount of those tickets from any amount paid to you.
19. If you or anyone acting for you in any respect; makes a claim under the policy knowing the claim to be false or fraudulently exaggerated, makes a statement in support of a claim knowing the statement to be false, submits a document in support of a claim knowing the document to be forged or false or makes a claim in respect of any loss or damage caused by your wilful act or with your connivance; then we; will not pay the claim or any other claim which has been or will be made under the policy, may at our option declare the policy void, shall be entitled to recover from you the amount of any claim already paid under the policy, may inform the police of the circumstances and shall not make any return of premium.
20. If we pay any expense for which you are not covered, you must pay this back within one month of our asking.
21. You must give us, at your expense, all the information, documents and medical certificates we ask for including details of other insurance policies that may cover the loss. If something you make a claim for is covered by another insurance policy or service contract (for example by a Household Contents All Risks Policy), we will only pay our proportional share of any claim. The exception to this is for any claim under Section 5 – Personal Liability where we will make no payment if you hold another insurance policy providing this cover.
22. Although we are prepared to cover you when undertaking certain sports and activities, the availability of insurance cover does not mean that American Express Insurance Services or the insurers consider these sports and activities as safe. At all times you must satisfy yourself that you are capable of safely undertaking the

planned sport or activity and you must take all due care to avoid injury, accident or loss to yourself and to others.

You must accept and follow the supervision and tuition of experts qualified in the pursuit or activity in question and you must use all appropriate precautions, equipment and eye protection. Disregarding such advice and precautions may invalidate any claim you make.
