- benefits for medical treatment provided by doctors through private surgeries and Government Health Centres (not hospitals).

We recommend **you** enrol at Medicare offices in Australia if **you** will be receiving treatment. If **you** receive treatment before **you** enrol, Medicare benefits can be backdated,

will not pay the claim or any other claim which has been or will be made under the policy, may at **our** option declare the policy void, shall be entitled to recover from **you** the amount of any claim already paid under the policy, may inform the police of the circumstances and shall not make any return of premium.

The exception to this is for any claim under Section 12 – Personal Liability where **we** will make no payment if **you** hold another insurance policy providing this cover.
22. Although **we** are prepared to cover **you** when undertaking certain sports and activities, the availability of insurance cover does not mean that American Express Insurance Services or the insurers consider these sports and activities as safe. At all times

you must satisfy **yourself** that **you** are capable of safely undertaking the planned sport or activity and **you** must take all due care to avoid injury, accident or loss to **yourself** and to others.
